OFFICE OF PETITIONS

PETITION TO REVIVE UNDER 37 CFR 1.137(b)

Sir:

The above-mentioned application became abandoned for failure to file a timely
reply to a notice or action by the Office dated December 9, 1997. The date of
abandonment is the day after the expiration date of the period set for reply in the Office
notice or action plus any extensions of time actually obtained.

Applicants hereby petition to revive this unintentionally abandoned application.
The required response is enclosed herewith in the form of a continuation application.
Applicants seek revival of the present application for the sole purpose of establishing
continuity with said continuation application. A check in the amount of \$2,160 to cover
the petition fee and application fee is enclosed. The entire delay in filing the required

reply from the due date for the reply until the filing of a grantable petition was unintentional. No Terminal Disclaimer should be necessary since the continuation application will have a filing date after June 8, 1995.

The attorney, John H. Shurtleff, handling the case at the time of the aforementioned Office action, passed away prior to filing a response thereto. The applicant only recently became aware of this fact.

Please charge any shortage in fees due in connection with the filing of this paper to Deposit Account No. 11.0345. Please credit any excess fees to such deposit account.

Respectfully submitted,

KEIL & WEINKAUF
